Victoria Model Shipbuilding Society

(Meeting minutes not available at Publication time)

Denton Cup Update:

Race #2 of the Denton Cup Series on August 30th was cancelled due to insufficient members present to compete. The format has now been changed from best two out of three to best one out of two. The next race is scheduled for September 18th, 11am at Harrison Pond.

Depending on the turn-out on this day, the 3-race format might be re-evaluated at season end. Lets see lots of boats on the water.

The October monthly meeting has been designated our Annual Swap & Shop night. Bring all those old boat parts lying around or come look for that hard to find piece or even a whole new project.

Our display

Also required every fair is for Arnold to bring something new and different.
Thanks to Bill Sturrock for providing photo.

Another Arnold creation

Susan Nelson managed to capture a surprise visitor to our display.

The paddle boat races are always a crowd favourite

The club has had some boats donated to it. The first one (pictured below) is up for auction. Starting bid is \$100 and it closes on October 13th.

How would you like to win a free membership?

Every member who brings an item for **"Show & Tell"** will get an entry into the draw. Bring an item every meeting and you can have 12 entries in it. At the end of the year, one lucky name will be drawn.

So dust off your projects, tips & ideas and bring them along.

The Victoria Model Shipbuilding Society is a non-profit club, open to all, established in 1978 under the Societies Act of B.C.
