

THE BINNACLE

Victoria Model Boats
Victoria, BC

The October General Meeting is our annual Swap & Shop Event.

Bring items to sell, trade or even pickup that something you've been looking for.

**From
The Bridge**

We have been lucky with the weather – a few new boats appearing on Harrison on the last couple of Sundays. I have been unable to get down there lately having a number of other tasks that need attending to. The City Parks staff came and gave the pond a good clean the other day so it should be happy sailing there for a few weeks. The geese seem to have moved back in though so you should be cautious when walking along the pond edge.

Sailing has improved out at Beaver Lake – I understand the lake is down but the weeds are not as bad as earlier. Barry will update you on a meeting coming up to discuss ways to improve the water quality at both Beaver and Elk Lakes.

Remember to cash in your bottles and cans – the annual Garage Sale is coming up on Thursday. Also it is a good time to sort out and possibly part with those items you have been hanging onto and never quite used them. There are probably other members who would be happy to purchase them from you. We have expanded the sale to allow other items than just model boat stuff so it should be an interesting evening.

The November meeting is next – this is our annual meeting and election of officers for the coming year. It is also the evening that some positions will need to be filled – the one that seems to scare everyone is that of Quartermaster (looking after the club pond, accessories, tents, tables). Bob has looked after these for a number of years and feels it time to shift the stuff.

Bill has arranged for the Christmas social to be held at the Church again this year with a new caterer providing the meal. Mark that date on your calendar and look forward to a fun evening.
