Model Ship Building Association,

Postal Station A,
Victoria, B. C. V8X 3X4

Dear Sirs:

I would very much appreciate receiving information as to where I could have a model (approximately 2 feet long) cleaned, repaired, and placed in a glass case. The model is that of Henry Hudson's boat "The Half Moon", and was made approximately sixty years ago by my Father, now deceased.

If you know of someone in the Victoria area or closer (or even on the mainland) that you would recommend, I would be most happy.

Your Association's name was given to me by the Maritime Museum of B. C. in Victoria.

Yours sincerely,

Ruth C. Scott
