THE NAVIGATOR'S LAMENT:

*Its not my job to run the Ship,
The horn I cannot blow,
Its not my job to say how far
The Ships allowed to go.
Its not my job
To ever clang the bell.
But let this dam Ship
Hit a rock,
And see who catches HELL!!*

Just a thought

Re: the J. de F Pond at the Colwood Center, with this rather unusual weather we have been having, cool nights and hot moist days, this is just great for algae and weed growth. So consequently both are doing just fine this year at the pond. May we have some volunteers please! who are willing to do a little raking and pulling of weeds. And Guys! lets not leave it up to the same **FAITHFUL FIVE** lets have some new blood down there.
