## Library Report

Your trusty library seems to be in order. We now have an excellent selection of model magazines that have been donated during the past few months, thanks to Geoff Walton, Eric Jones as these magazines will provide a useful source of model information.

The Illustrated List of Models, which I am sure most of you have heard about, is coming along nicely. There are, however, many models missing from this list. If you wish your model to be represented all you need is a picture of the model, I will do the rest. The list will be available at the meeting for you to see.

Doug Dyer - Librarian

## UNDER NEW MANAGEMENT

We would like to give a V.M.S.S. welcome to the new owner of **Sidney Hobbies Mr. Mark Giles**, Mark has told our Society that he is putting in new product lines and materials. On behalf of our group I wish him the best of luck and every success.

## H E L P

Now that boating season is subject to the whims of Mother Nature, you may or may-not have some free time on your hands, Our ol' Buddy **John Gough** is asking for some **help** in cleaning up some of the models down at the museum, if you feel that you have the patience and expertise for this? Please give John a call. Phone 479-1843:
