SAILORS CORNER:

Sailors, our time of year is starting up with free sailing every Sunday at Elk Lake during the month of September, from 11 - 1 PM. This time was chosen with the view to be off the lake before the swimmers, and there is some weed. In October, we'll resume our regular schedule of 1st & 3rd Sundays, 1 - 3 PM for the Fall Series.

This free sailing is great for new members to get acquainted with more seasoned veterans on the race course and tuning of new and old boats before we start the Fall Series.

We have two new members, David Seager who will be sailing Fred Rainsford's old Ranger which he's currently reworking, and Vic Gammon. Vic and Peter Smith of Mayne Island invited Lois & I, with Jack Plummer & wife Lori to sail on a small lake on their Island, we took four boats over for them to try and they are now building Star 45's and hope to sail with us in the Fall. My bet is Jack Plummer will be the first with his 12 M in the lake.

Listed below is an up to date Frequency Guide, as to who is on what channel. I believe that it's time, Sailors, to carry an extra crystal to our racing this Fall, just in case someone shows up with the channel you're on. With new boats showing up, we're bound to have to sort channels out till everyone settles into their new boats. If you need an extra crystal, Henk Meursing, 6[illegible]-4095, will look after a group purchase, give him a call. Let's not have anyone upset over frequency's, purchase a second set of crystals and GOOD SAILING!
