THE GIANT KILLERS

In late August, Rob Woodward & Doug Gilbert went down to Seattle to race at the U.S. Nationals. At Coulem Park, at the bottom end of Lake Washington. They spent 4 days of racing, of which, one day was team racing with 5 boats to a team.

These were people from virtually every state in the Union, some they have never met before. The next 3 days, they were racing for the Nationals. After the first day, they were both in the top three. As the days progressed, Doug was clearly ahead in points. Both of them had many boat failures, but with good repair kits, and some generous help from other competitors, they moved on to the finals. There were 25 boats racing entered in a total of 25 races.

The winds were as strong as the competition, but the best part and the **only part that matters**, it that Doug Gilbert walked away in first place with the silver. Rob Woodward came away with a respectable 8th place.

On behalf of the V.M.S.S. Congratulations and Well Done!

Fellow Modeler:

The Van. Isle. Marine Modelers will be installing their pool in Country Club Mall on October the 20th, 21st, and 22nd. The pool will be available for free running from Friday 12 p.m. to closing. Sat. from opening to 1 p.m. and Sunday all day. On Saturday, there will be a steering course held from 1 p.m. till 4 p.m. with free running till closing.
